Dear General Manager,

Here is a petition against the Ross Auto Classic held on Sunday 12/3/2017 from 8 AM to 4 PM. This petition is signed by Ross residents who were inconvenienced by this event

Yours sincerely,
Ross residents

A.

Petition re -The Ross Auto Classic held Sunday 12/3/2017

We the residents of Ross wish to protest to the Northern Midlands Council about the above event for the following reasons:

- inconvenience to the residents in the town, tourists and travellers on the Tooms Lake Road because of the duration of the event (from 8am to 4pm)
- lack of co- ordination on public streets and the excessive noise and speed of the race cars on those streets.
- because this entire event was inappropriate for our village.
