3. Flower pot outside hall – request from 30 November – Daniel will follow up with Councillor Goss.
5. Tree (XMAS) at the park – Guard has been removed and will need replacing with a larger one, so it is not damaged. This item is a customer request.
6. Street Library – is it possible to have a 2nd one placed in Cressy, contact to be made with Mens Shed for construction of this. Feedback has been requested - [Ongoing](#)
7. Play equipment in the park – This must be addressed, other councils are receiving upgrades, but it has been some time since Cressy has received anything new. Referred to the Manager of Works for feedback – [continue ongoing.](#)
10. Speed Limit – please keep on agenda, this is a matter of urgency. (Why 50km at the entrance and 60km through the town)? This item has been referred to the Works Department for investigation and comment. Suggestion of contacting parliamentarians for their assistance with this matter.
